

YEAR 4/5 NEWSLETTER

Hornbeam, Lime and Maple

Spring 1

HOW IS OUR SOLAR SYSTEM STRUCTURED?

This term, the children will be looking at the movement of the Earth and the Moon, as well as discovering how the Earth rotates to create day and night.

The Space unit will be further developed in English where they will be reading the award winning novel, 'Cosmic' by Frank Cottrell-Boyce and looking at a variety of text types linked with this text.

We have redesigned our termly Knowledge Organiser so that it is now more interactive and features lots of retrieval questions and suggested creative ideas to extend your child's learning at home. If your child wishes to engage with any of the activities and bring them in to share with the class, they can earn Dojo points!
